COLUMBINE LAKE, Grand Lake, CO

Tucked away on a peaceful street just a few blocks from beautiful Columbine Lake, this spacious mountain cabin offers over 2,500 finished sq ft of comfortable living space surrounded by mature aspens and pines. Enjoy added privacy due to neighbor's vacant lot and peek-a-boo mountain views. The updated lower-level features newer tile flooring, a beautifully remodeled bathroom, a cozy new wood-burning stove in the living area, and abundant storage. Flexible rooms provide space for extra bedrooms, an office or den, craft room — whatever fits your needs — plus convenient access to the attached garage. Upstairs, an open floor plan connects the inviting living room, dining area, and kitchen, complete with a huge butler-style pantry and walkout access to the wraparound deck perfect for entertaining or relaxing in the fresh mountain air. Four bedrooms and two remodeled bathrooms complete the upper level.
