Residential on 0.15 Acres

Maplewood Sub, Denver, CO

Step into this sophisticated, meticulously maintained one-owner, newer build dreamhouse offering the ease of single-level living combined with modern elegant design. The wide plank engineered wood floors set the tone for the seamless layout, flowing into an expansive great room and large open dining that anchors the heart of the home. The gourmet kitchen is a true highlight, equipped with a KitchenAid double oven, a 5-burner gas stove, sleek marble countertops, large island and ample space for meal prep. French sliders provide a wonderful transition to the backyard patio, ideal for both relaxing and entertaining. The primary suite is a serene retreat with generous space for a sitting area or reading nook and is filled with natural light. The spa-like ensuite bathroom offers a steam shower with dual shower heads for ultimate relaxation. The home also includes a stylish powder bath for guests and a convenient Jack and Jill bathroom between the other 2 bedrooms, ensuring comfort and privacy for everyone. Also featured is a private office space right off of the living area which is in addition to the 3 bedrooms! The mudroom/laundry room is equipped with a high-end Electrolux washer and dryer. A notable and rare feature is the inclusion of an RV parking complete with power and sewer hook-ups. The property also boasts a private, fenced and spacious backyard with a garden bed, perfect for outdoor enjoyment. The detached three-car garage offers flexibility, as

it could easily function as a two-car garage with an artist studio space (as is now), including a utility sink and window AC unit. There is crawlspace access to HVAC and sprinkler controls. This exceptional home offers a blend of modern elegance and everyday functionality! Come take a tour!
