Residential on 0.23 Acres

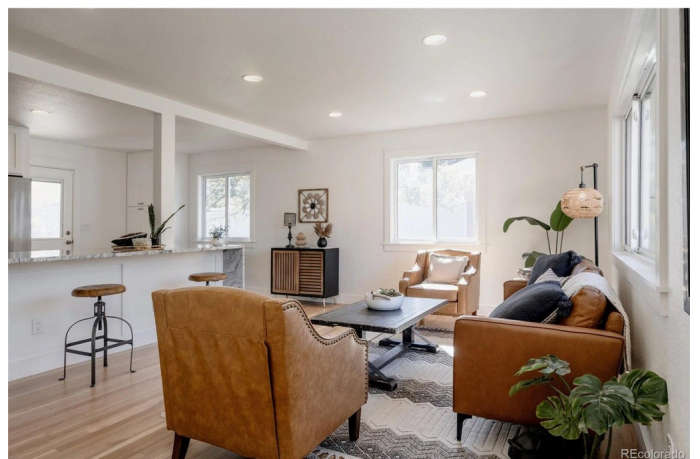

Broadway Heights, Englewood, CO

Exceptional opportunity in the highly sought-after Englewood area. This completely renovated brick ranch sits on a nearly 10,000 square foot lot and offers a thoughtfully designed interior with a well-conceived floor plan, creating several distinct living spaces both inside and out. On the main level, beautifully refinished hardwood floors flow throughout, and natural light fills the updated kitchen. Featuring new appliances, countertops, custom cabinets, and an eat-at kitchen island with countertop waterfall edges, this kitchen is truly impressive. The lower level boasts a spacious footprint with tall 7'8" ceilings, a large living room, an exterior entrance, and a kitchenette. This area feels more like a guest suite than a basement, making it ideal for house hacking or a multi-generational home. Outside, you will find an oversized covered patio with ceiling fans, a massive 870-square-foot two-car detached garage with 200-amp service, a quaint A-frame hut complete with air conditioning and double-pane windows, and a large yard. This property is a must-see!
