Downtown, Denver, CO

Every home in the Four Seasons Private Residences is special in its own way - and Residence #2000 is no exception. You'll find it infused with a warmth and calmness that is difficult to find in an urban setting. Perched 20 floors above the city, this lovingly maintained home features two large bedrooms, two and one half baths, and a media room/theater, for those times you'd prefer to stay in. Of course, with some of the most incredible mountain views to be had in Denver, it's nearly impossible to duplicate. Make no mistake, this is an elegant and gracious home - large enough for full time living and yet manageable for less frequent visits. Naturally, when you live at the Four Seasons, you'll have access to such luxuries as two fitness centers, the Four Seasons' spa facilities, an outdoor salt-water pool and whirlpool, private house car that will deliver or retrieve you from your favorite restaurant or stores. While we're at it, having 24-hour concierge, valet, security and engineering services at your fingertips doesn't hurt either. And if you're of the mind, room service, housekeeping and a list of other available a la carte services are at your disposal with the touch of a couple of buttons. This is everything you'd expect from living on top of a 5-star hotel - and then some!
