

\$574,000 - 5553 Jasper St, Denver

MLS® #7642191

\$574,000

5 Bedroom, 4.00 Bathroom, 2,754 sqft
Residential on 0.14 Acres

Parkfield Filing 6, Denver, CO

This charming 5-bed, 4-bath home sits on a cul-de-sac just steps from award-winning Archuleta Elementary. The main level features a living room with vaulted ceilings, an open kitchen with stainless steel appliances, a breakfast bar, pantry, and a cozy family room with a fireplace. Upstairs offers the primary suite with a 5-piece bath and walk-in closet, plus three additional bedrooms and a full bath.

The basement is set up as a mother-in-law suite with one bedroom, a three-quarter Jack-and-Jill bath, and a bar area that could be converted into a kitchenette. There's also space to add an additional bedroom.

Enjoy privacy with mature arborvitae in the front and a fenced, xeriscaped backyard that overlooks a wildlife area with walking trails. A dog park, skate park, recreation center, and lake with a trail system are all just a short walk away. The furnace and A/C were replaced in 2022, and the roof was replaced in 2016. The home has been updated and is move-in ready, though it could benefit from some light cosmetic touches.

Built in 2003
