3 Bedroom, 2.00 Bathroom, 1,844 sqft

Residential on 0.10 Acres

Congress Park, Denver, CO

Welcome to 1233 Jackson St, a beautifully updated 1924 Denver bungalow in the heart of Congress Park! This charming 3 bed, 2 bath, 1,844 square foot home perfectly balances modern updates with classic character. Step onto the large covered front porch and further into a light-filled living room with high ceilings, original hardwood floors, and a cozy fireplace. The main level open floor plan also offers a formal dining room, versatile office space, and a stunning updated kitchen with quartz countertops, stainless steel appliances, gas stove, tile backsplash, and abundant storage. Two bedrooms and a full updated bath complete the main floor. Downstairs, the finished basement features exposed brick, a spacious second living area with fireplace, large bedroom with ensuite bath, laundry, and extra storage. Outside, enjoy a brand new Trex deck & pergola, xeriscaped backyard with sprinkler system, and even space for camper parking. The oversized detached 2-car garage is fully insulated with a workbench, EV charger, attic storage, and adjacent shed. Major updates include a new roof, updated electrical panel, radon mitigation system, windows, light fixtures, and a freshly painted exterior. With no HOA and easy access to Congress Park, City Park, the Denver Zoo, Botanical Gardens, Cherry Creek, and dining on 12th, this home is a true gem. Don't miss your chance to own a piece of Denver history-schedule your showing today!
