

\$469,000 - 3500 S Corona St 407, Englewood

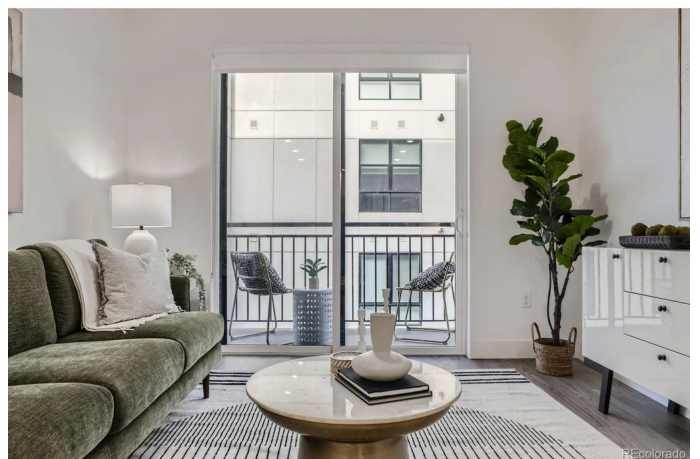

MLS® #9394210

\$469,000

2 Bedroom, 2.00 Bathroom, 988 sqft
Attached Dwelling

Medical District, Englewood, CO

Seller is offering a 2/1 buy down (with the right offer) which could save buyers approx \$500 per month. Just steps from Craig Hospital and Swedish Medical Center (and walking distance to dozens of great restaurants/shops in SoBo)...this stunning condo is less than 3 years old and in the heart of one of Denver's hottest neighborhoods!!! With over 1,000 sq ft, this condo lives more like a single family home that is bathed in natural light from the large windows throughout, and everything is on one floor making it feel like a single family ranch home (it is also handicap accessible). Beautiful flooring leads through the home to a gourmet kitchen that would make any chef feel at home with stainless steel GE appliances, quartz waterfall countertops, rich cabinetry and plenty of pantry storage. Both bedrooms are spacious, but the highlight is the oversized primary bedroom which features an en-suite bathroom and tons of storage in the walk-in closet. The second bedroom is perfect for guests or a roommate, but it could also be used as a formal office/media room/man-cave/she-shed. The condo is part of a very well run HOA in a very secure building, which makes it completely maintenance free and a great spot for any lock & leave travelers. Don't worry about scraping snow in the winter since the condo comes with a covered parking spot and it also has a large secure storage unit...compare this home to anything in the price range and you will not be

disappointed!!!
