5 Bedroom, 3.00 Bathroom, 3,143 sqft

Residential on 0.46 Acres

Stratmoor Hills, Colorado Springs, CO

Truly one of the most charming finds, the perfect mix of updated and sophisticated! Sellers did major updates throughout the home, yet still kept its magical charm. Located on a large and private, treed lot that backs to a dry creek. Close to the end of a cul-de-sac for low traffic. Well-established neighborhood with mature trees and tasteful landscaping. Inside, you'll find amazing windows for natural light. The timeless living room creates a cozy ambiance and boasts an elegant wood burning fireplace. The home's character continues into the kitchen and dining room, again filled with charming details. The kitchen includes double ovens, gas range, and ample storage space. The dining room has a door to a unique breezeway that leads to the back deck as well as the garage. Also on the main level is a bedroom and bathroom. Upstairs, the primary bedroom has wood floors, lots of closet space and built-in shelving. Attached is a full bath highlighted by a beautiful claw foot tub and stunning vanity. There are also two additional nice sized bedrooms with wood floors. The finished walk-out basement features a huge family room with a wood burning fireplace. A fifth bedroom that could also be used as an office or exercise room. The spacious laundry includes the washer and dryer. The electrical panel has been updated, new windows (Renewal by Anderson) were installed, and LeafGuard filters were installed. Come experience the timeless details and beautiful lot today!
