4 Bedroom, 4.00 Bathroom, 2,079 sqft

Residential on 0.13 Acres

Stetson Hills, Colorado Springs, CO

Welcome to this inviting 4-bedroom, 3.5-bathroom home, perfectly positioned on a beautiful lot that backs to the Stetson Hills Open Space and walking trails. With no rear neighbors, you'll enjoy both privacy and stunning views right from your own backyard. Step inside to a bright and open living room with soaring ceilings, abundant windows that flood the space with natural light, and a cozy gas fireplace with by a custom built-in. The seamless flow continues into the dining area and kitchen, where you'll find solid-surface countertops, ample cabinetry, and sliding glass doors leading to the upper deck—the ideal spot for morning coffee, evening nightcaps, or simply soaking in the views. Upstairs, the primary suite is a peaceful retreat featuring an ensuite bath, walk-in closet, ceiling fan, and serene views of the open space. Two additional bedrooms and a bathroom complete the upper level. The fully finished walk-out basement is designed for flexibility, offering a large living area with custom built-ins and a built-in desk—perfect as a family room, home office, hobby space, or media area. A private fourth bedroom with its own ensuite bathroom makes a wonderful guest suite or separate space for extended family. Step right outside to the lower patio and enjoy fresh air, natural surroundings, and the tranquility of the open space just beyond your backyard. Additional highlights include new laminate flooring on the main and basement levels, low-maintenance landscaping, and plenty of room to create the

lifestyle youâ€™ve been looking for. See Agent/Showing Remarks.
