3 Bedroom, 3.00 Bathroom, 2,164 sqft

Residential on 0.16 Acres

Colorado Centre, Colorado Springs, CO

Welcome to the house that proves ceilings can be overachievers.

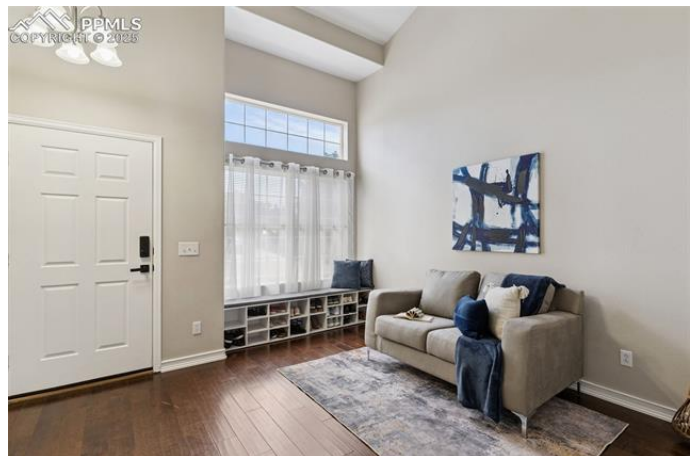

This delightful 3-bedroom, 2.5-bath gem features soaring vaulted ceilings that practically beg you to start a ceiling fan appreciation club. There's a spacious loft perfect for a home office, yoga retreat, secret gaming lair, or the reading nook of your Pinterest dreams—your call. It's like a bonus room but cooler, literally (thanks, airflow).

The open-concept living area is great for entertaining guests or pretending you host a cooking show when no one's looking. The kitchen comes fully equipped with appliances that actually match (you're welcome), and enough counter space to chop vegetables without knocking over your wine glass.

All three bedrooms are roomy enough to fit real furniture (no futons necessary), and the primary suite has ample closet space for your clothes and your emotional baggage.

Step outside to the backyard—a blank canvas for your outdoor oasis, kiddie kingdom, or dog's personal racetrack.

So if you're looking for a home that says, "I'm an adult now, but still fun," this is it. Vaulted ceilings, a dreamy loft, and serious "let's stay in tonight" vibes.

Come take a look before your future self buys it first.
