4 Bedroom, 3.00 Bathroom, 2,864 sqft

Residential on 0.10 Acres

Enclaves at Mountain Vista, Colorado Springs, CO

This former show home is as good as new. Pre-inspected! Must see this fantastic four bedroom, three bathroom, two car garage patio home! The garage is finished, and this is the only home in the area that has a gate to the serene, gated greenspace behind the home. Peaceful and inviting patio just a step outside the dining room. Wonderful floor plan with two bedrooms on the main level, ensuite master bath, and two very good sized bedrooms in the basement. This home has walk-in closets in most bedrooms. It was designed for main level living, and for plenty of storage. Kitchen is stubbed for gas if that is preferred for cooking. Also, whole house humidifier and surge protector. This home has luxury vinyl plank floors throughout the main level. Beautiful and peaceful gas fireplace on the main level. This is the only unit in the neighborhood that has backyard access to the open space (grandfathered in). Quiet area and quiet part of the community. Easy commute anywhere on Powers Corridor, and to Schreiver AFB/SFB and Peterson. HOA takes care of all exterior and landscaping except the fenced-in backyards. Enjoy carefree living in this stellar, nearly new patio home!
