4 Bedroom, 3.00 Bathroom, 3,093 sqft

Residential on 0.17 Acres

Rupps, Colorado Springs, CO

Marvel at the massive rooms on every floor of this renovated tri-level. A huge and stylish kitchen combines open shelving and large center island with attached dining area to create a spacious and welcoming hub of a retreat just past the cozier living room with a built-in bookcase. The upper level features a palatial master suite with vaulted ceiling and stand-out wall design, contemporary en suite bath, walk-in closet and a nook for extra storage. Three more bedrooms and a full bath upstairs give you space for everyone and everything you need. The lower level throws a rec room at you that just won't stop. Use it for a game room, movie nights or family time around the fireplace -- or all three at the same time. Outside is more space to roam, with a large patio and a detached oversize garage that can be used as a workshop and two sheds for storage or converting to more cool recreation space. Packed with gorgeous upgrades such as quartz counters, stainless steel appliances, luxury vinyl flooring, tiled baths and designer fixtures, there are endless ways to enjoy this unique and versatile home on a quiet street, centrally located to downtown and everywhere you need to go.
