Residential on 0.17 Acres

Wolf Ranch East, Colorado Springs, CO

Welcome to a home that blends modern design, thoughtful upgrades, Pikes Peak views, and the best of Colorado living. The kitchen is a true chef's dream, featuring a pot filler, double oven, walk-in pantry, apron-front sink, upgraded herringbone backsplash, countless lighting upgrades, and an oversized island designed for both entertaining and everyday life. The open-concept layout connects seamlessly to the living room, anchored by a beautiful stone fireplace. Additional touches here include a double sliding glass door and a built-in speaker system that add comfort and style. Just off the living room, the primary en suite impresses with an exposed beam ceiling, an oversized walk-in shower with dual shower heads, and a walk-in closet that could rival the size of a bedroom. Also on the main level is an expanded secondary en suite, perfect for guests or multi-generational living. Head downstairs to a spacious finished basement with a custom wet bar, second stone fireplace, a third en suite, and a fourth bedroom. There's also an unfinished room offering flexibility as a home gym, storage, or the option to finish it out into a fifth bedroom with its own walk-in closet. And while the home itself is incredible, the neighborhood is truly the icing on the cake. Wolf Ranch is an award-winning, master-planned community with over 300 acres of open space, more than seven miles of finished trails, and a lifestyle filled with parks, events, and natural beauty.
