Warm, cozy and homey! This is a well-maintained home in an established neighborhood with mature trees. Plenty of upgrades providing worry-free living. The hot water heater was replaced this year! New HVAC system installed in 2023! The roof was replaced in 2017! The electrical panel was upgraded in 2016! Other upgrades include- kitchen and bathroom remodel, a new SMART garage door opener that you can open remotely using your phone, newer windows, a dry-bar in the family room with a wine cooler and mini fridge! The home is fully radon mitigated including the crawl space. It was professionally deep cleaned before listing and all of the carpets will be professionally cleaned prior to the Buyer moving in! Soft gray walls throughout! The back yard has a pergola and several sitting areas both in the sun and in the shade. A large crabapple has pink blossoms in the spring and evergreens provide shade. There is a large concrete patio that is begging for a basketball hoop. Fido has a place to run in the separate fenced area. Just up the street there is access to Carver Park and miles of hiking, jogging and biking trails through the Village Seven Greenway system.
