5 Bedroom, 6.00 Bathroom, 3,266 sqft

Residential on 4.16 Acres

Pikes Peak Ranch Estates, Woodland Park, CO

Nestled along Pikeâ€™s National Forest land in the City Above the Clouds is a gorgeous property known as Rampart Reserve. The estate sits on over 4 acres, off of paved, county maintained roads & only 5 minutes to downtown Woodland Park. The Reserve has mature aspens and pine trees galore! A large, updated home with 4 bedrooms plus a den/5th bedroom/office, 4 bathrooms, 2 massive wood fireplaces (1 on each floor), 2 incredible kitchens with granite & 2 laundry hookups. Each floor in the main home has a split bedroom layout: primary suites with attached spa-like bathrooms & large walk-in closets on one side and large secondary bedrooms w/big closets and new, updated bathrooms on the other. Double insulation with sound gap between the 2 floors has been added to minimize sound. Walk out onto the expansive deck to soak in the views of Pikes Peak & the western mountain summits. Behind the primary home are 4 remodeled dry cabins w/in-wall electric fireplaces, mounted TVs, views of the Forest, Pikes Peak & neighboring horse farm. Thereâ€™s also a 660+ square foot building with another full kitchen & 2 beautiful bathrooms + dryer hookup! A very unique cedar, domed shower building is a one-of-a-kind amenity & guest favorite! Do you have animals or perhaps want to keep the alpaca/llama farm that exists at Rampart Reserve today? No problem! Thereâ€™s a lofted barn w/a new lean-to addition. The

whole property is fully fenced w/an electronic/automatic gate at the front & other fencing in the back to separate animals, plus two dog runs directly off of the main home. A gate at the back of the property allows you to go on endless hiking adventures in the national forest. The 3 stall, extended garage is heated, offers a workshop & lots of storage including pulleys for your kayak & bicycles. Plenty of other parking is available on the all-paved driveway! New roof on the large back building (2024), an additional 2 compartment septic tank added (2024) + septic system was re-rocked (2024).
