Your Colorado Story Begins Here

If these walls could talk, theyâ€™d share memories of laughter echoing through spacious rooms, holidays filled with warmth, and quiet evenings watching the sun melt behind Pikes Peak. This 7-bedroom, 3.5-bath home offers over 2,800 sq. ft. of inviting space designed for both connection and comfort.

Inside, youâ€™ll find open living areas perfect for gatherings, a cozy fireplace that glows on snowy winter nights, and natural light that fills each room. The thoughtful updates make this home as practical as it is beautiful â€” the furnace was replaced last fall, the breaker panel is brand new, and the water heater is less than five years old. Nearly all windows are new (except the master), and high-efficiency attic insulation keeps the home comfortable year-round.

Step outside and youâ€™ll notice the care continues â€” a new roof (2018/2019), new siding and trim (2024), new gutters (2024), a stylish new French front door (2024), and fresh exterior paint (2024/2025) make this home shine inside and out.

Enjoy summer barbecues under endless Colorado skies, RV parking right at home, and the freedom of no HOA. Every morning greets you with breathtaking mountain views â€” a

daily reminder of why you love living here.

Conveniently located near Fort Carson, schools, shopping, and parks, this home offers both peace and practicality.

If these walls could talk, theyâ€™d invite you to imagine your own story here â€“ because this isnâ€™t just a house. Itâ€™s the beginning of your next chapter.
