4 Bedroom, 4.00 Bathroom, 3,811 sqft

Residential on 0.18 Acres

Remington at Wolf Ranch, Colorado Springs, CO

Welcome to a beautiful, spacious home. The covered front porch leads to a large entry way that opens into the open-concept kitchen, dining, and living rooms. High ceilings and large windows bring in abundant light. The kitchen features double ovens, a gas range, and granite countertops over plenty of cabinet space, which makes this home a cook's dream. The gas fireplace makes the light and bright living room feel cozy and compliments the open concept space. The main floor also features an office with french doors and a half bathroom. The upstairs has three bedrooms and a large, open loft. The large master bedroom leads to an en-suite bathroom with a soaking tub and free-standing shower. The master suite is completed by a huge walk-in closet. The other two bedrooms upstairs also feature walk-in closets as well as an additional full bathroom and a spacious laundry room. The upstairs loft is the perfect space to fuel creativity and can be used as an additional living area, work space, craft room, or exercise area. The basement boasts a fourth bedroom with its own walk-in closet as well as an additional full bathroom. The basement has a huge, open living space, high ceilings, and bright windows. This home comes complete with a smart lighting system, smart thermostat and garage door, and a Quiet Cool attic fan. A mountain view featuring Pike's Peak is visible from multiple rooms in the house and from the landscaped backyard. You don't want to miss

this extraordinary home!
