Residential on 0.19 Acres

Dundee Place, Pueblo, CO

Hello there! let me introduce myself. I'm a 1910 bungalow tucked into Pueblo's charming and historic North Side, where quiet, tree-lined streets and friendly neighbors are part of everyday life. I've stood here for well over a century, and I'm ready for my next chapter—maybe with you. Inside, I offer 2 bedrooms, 1.5 baths, and 1,168 square feet on the main level. I'm currently carpeted, but beneath it lie my original hardwood floors—just waiting to shine again. Bring your vision, and you'll uncover the beauty that's always been here. My covered front porch is the perfect place to start and end the day, whether you're sipping coffee, hearing birdsong, or greeting familiar faces strolling by. Out back, my fenced yard gives you room to garden, play with pets, or host summer evenings on the deck. I also come with a 2-car detached garage with an automatic opener and a storage shed—because extra space always comes in handy. Down below, my basement offers utility room plus storage, giving you even more room to grow. Whether you're an investor, a flipper, or a first-time homebuyer dreaming of a place you can make your own, I'm full of opportunity. I have strong bones, historic character, and tons of potential for someone who wants sweat equity over cookie-cutter living. If you've been searching for an affordable home in a beloved neighborhood with lasting value, I might be your perfect beginning. Come see me in person—I'm

ready to welcome you home.
